

# (Heavy Vehicle) Exemption Notice Request

## General Information

This form is ONLY for jurisdictions seeking to request the National Heavy Vehicle Regulator create a Notice to exempt a category of heavy vehicles from the Vehicle Standards.

For further information on vehicle standards notices please refer to the NHVR website or contact the NHVR office. You'll find contact information within this form.

### Before you begin ...

- Details for each model of vehicle included in this request must be provided and an assessment of the request will not commence until all information is provided.
- Applications should be comprehensive and include any additional information which will assist with the assessment of the application.
- If you require additional space to complete a section please include this in a separate document referencing the relevant section and part number i.e. 5.1 Modification and Exemption Details, 5.1.2.

### Please ensure you have:

- confirmed all the vehicle model details in the request.
- confirmed if any previous modification applications have been denied for the category of heavy vehicle in the request.
- confirmed all previous modification approvals for the category of vehicle in the request.
- confirmed any previous exemptions, permits or notices for each vehicle, including the standards exempted from and conditions imposed.

## Section 1

### 1.1 Jurisdiction Contact

Officer Surname/Given Name

Position/Title

Jurisdiction

Agency Name

Postal Address

  
 state  postcode 

Contact Phone Number

Email Address

## Section 2

### 2.1 Interested Party Details

Name (must be Company or Individual)

Australian Company Number (ACN) (ACN is not required for Individuals)

Trading As Name (if applicable)

Registered Company Address (or Business Address for Individual)

  
 state  postcode 

Postal Address

  
 state  postcode 

Contact Phone Number

E-mail Address

### Section 3

Provide the specific details of the area of non-compliance for which the exemption is being sought (which vehicle standards are the vehicle(s) not compliant?).

### Section 4

#### 4.1 Vehicle Category Details (for each category vehicle)

Month & Year of Manufacture	Make	Model	Body Type	TARE	GVM	ATM	GCM (kg)
1.							
2.							
3.							
4.							
5.							

### Section 5

#### 5.1 Modification and Exemption Details

5.1.1 Has an exemption previously been sought and denied?

Yes  No

If Yes, please attach information about the refusal of the application.

5.1.2 Are there any previous or currently approved vehicles of this category in operation?

Yes  No

If Yes, provide relevant details about those vehicles (Operator, location of operation, application, diagrams, photos and schematics etc?)

5.1.3 Provide details of the existing exemptions notice/permit document the vehicle(s) are operating under. (Attaching the document is sufficient).

5.1.4 How have the vehicle(s) been assessed as complying, if at all?

**Attach relevant engineering schematics, photos, tests and reports certifying the modifications for each model of vehicle and non-compliance to the vehicle standards.**

## Section 6

### 6.1 General Exemption Details

6.1.1 Has approval been obtained for access or registration?

Yes  No

If Yes, provide relevant details and attach a copy of the approval for the category of vehicle included in this request.

**Please specify any conditions related to this category of vehicles.**

If No, identify the intended area of operation (what access is being sought – general/area of operation/restricted access?)

6.1.2 Has an Access Permit/Notice for this category of vehicle been sought from the NHVR?

Yes  No

If Yes, provide NHVR case number:

If No, provide any Access conditions that may apply to this category of vehicles in your jurisdiction.
