IMPORTANT NOTES

IT IS AN OFFENCE UNDER THE *BOXING CONTROL ACT 1993* TO PROMOTE OR ARRANGE A BOXING MATCH UNLESS APPROVAL HAS BEEN ATTAINED. THE ACT ALSO PROVIDES THAT ALL CONTESTS MUST BE CONDUCTED ACCORDING TO THE ATTACHED "CODE OF PRACTICE FOR THE CONDUCT OF BOXING CONTESTS IN THE AUSTRALIAN CAPITAL TERRITORY".

If this application is approved it is the responsibility of the promoter to advise the Sport and Recreation Services (SRS) of the times and venues of weigh-ins. An officer of SRS must be invited to attend all weigh-ins.

Any approval given as a result of this application is given on the basis of the information provided in the application, and it is the obligation of the applicant to notify the SRS of any changes to that information.

Any approval to conduct amateur fistboxing contests is conditional upon all participants, boxers and officials, being members of Boxing Australia Ltd or of an affiliated body.

Amateur kickboxing contests may only be approved where they have been sanctioned in writing by the World Kickboxing Association Australasian Region, or by the International Sports Karate Association, or the International Kickboxing Federation.
