No proof of previous licence in applicant's name

Applicant is beneficiary of deceased estate

Vehicle licence duty payable

Vehicle relicensed in current owner's name

Operator Name

Site and Receipt Number

Plate Number Issued

DEFINITIONS

The term "dutiabale value" is defined by division 5 of the *Duties Act 2008*. The following interpretation is provided as a guide only.

New Vehicle:

For a new vehicle (which includes a demonstration model that has not been used for that purpose for more than 2 months) that is a motor car, motor wagon or motorcycle, the list price (see definition below), plus the price fixed by the manufacturer, importer or principal distributor as the additional retail selling price in Western Australia for a particular type of transmission fitted to the vehicle.

(For example, the set fee to upgrade a manual transmission to automatic).

Used Vehicle:

In relation to used vehicles - the amount for which the vehicle might reasonably be sold, free of encumbrance, in the open market.

List Price means the price that has been fixed by the manufacturer, importer or principal distributor as the retail selling price of that vehicle in Western Australia.

NOTE: Vehicles which are transferred for no monetary gain need to have an amount provided for which the vehicle might reasonably be sold, free of encumbrances in the open market, i.e. its dutiable value

IMMOBILISER REQUIREMENTS

The onus is on the proposed licence holder of the vehicle to have or ensure that an approved immobiliser is installed. Any application to licence a vehicle will not be accepted if the proposed Licence Holder has not declared (by signing the declaration section on the front of this form) that an approved immobiliser is fitted to this vehicle. A false or misleading declaration will result in a fine. Some exemptions are available, for a complete list visit www.transport.wa.gov.au/dvs

1. Before applying to licence a vehicle an approved immobiliser must be fitted. For further information on approved immobilisers contact your local authorised installer, visit www.transport.wa.gov.au/dvs or call Driver and Vehicle Services on 13 11 56.
2. If the vehicle to be licensed is already fitted with an immobiliser, confirmation must be made that it is an approved device.
An approved immobiliser is:
 - Factory fitted (ie. fitted at the time of manufacture). The vehicle handbook should be able to confirm this.
 - Self arming (ie devices which automatically arm themselves without assistance from the driver) and prevents the vehicle from being started

VEHICLE MUST BE PRIMARILY KEPT IN WESTERN AUSTRALIA

In accordance with section 17(2)(d) of the *Road Traffic Act 1974*, vehicles may only be licensed in Western Australia if they are primarily kept in this state. You may be required to provide documentary proof of this.
