IMPORTANT INFORMATION

SPECIFIED LIGHT VEHICLES COMING TO WESTERN AUSTRALIA FROM THE EASTERN STATES CAN NOW BE LICENSED WITHOUT INSPECTION

WHICH VEHICLES QUALIFY?

- Motor cars;
- Motor cycles, including mopeds;
- Goods/ Commercial vehicles;
- Trailers, including trailer plant;
- Caravans.

Providing your vehicle:

- Is a light vehicle;
Light vehicles have a Tare weight (sometimes referred to as 'Mass Weight') and Aggregate weight less than 4500kg. Aggregate weight only applies to load carrying vehicles. (GVM, GTM and ATM can be used as Aggregate).
- Is currently licensed in an Australian jurisdiction;
- Has been licensed in your name for at least 12 months;
- Has an approved **immobiliser** fitted if required.
In WA, every vehicle must have either a factory fitted or Government Approved Immobiliser fitted before it can be licensed, except the following exempt vehicles:
 - Vehicles that are 25 years or older;
 - Vehicles that have a Tare weight (sometimes referred to as 'Mass Weight') over 3000 kg;
 - Motor cycles.

Vehicle must comply with **modification** requirements. The vehicle may be licensed without inspection if the vehicle:

- is unmodified; or
- has been modified and issued with a modification permit from an ES jurisdiction; or
- has an "allowable modification".

For more information on modifications, see the Driver and Vehicle Services website at <http://www.transport.wa.gov.au/dvs>

Vehicle must not require **annual inspection**. The following vehicles are not eligible for 'no inspection' licensing and must be examined:

- Taxis;
- Hire Vehicles;
- Omnibuses;
- Driving School vehicles;
- Vehicles with 13 seats or more, including the driver;
- School buses; and
- Vehicles used primarily to carry children to and from school (8 seats or more).
