Failure to complete the prescribed form within 28 days will render you liable for prosecution, as it is your responsibility as the holder of a Right to Display optional plates to transfer the Right to Display these plates where there has been a change in ownership of the vehicle to which the plates are attached.*
Note: It is unlawful to display optional plates on a vehicle without approval from the Director General
6. The onus is on the purchaser to ensure an approved immobiliser is installed. If an approved immobiliser is installed, please supply to the purchaser any information about the immobiliser as a courtesy.
7. If you are disposing of a vehicle that is licensed at concession rates, you should advise the new owner of the concession and possible charges to be incurred.

Until such time the sanction has been removed, the vehicle is considered unlicensed and continued use of the vehicle will be in contravention of the *Road Traffic Act 1974*.

Before considering the sale or purchase of a vehicle, the vehicle licence status may be checked at www.transport.wa.gov.au.

Vehicle owners that might have outstanding infringement notices or court fines may contact the Fines Enforcement Registry on 1300 650 235 to enquire if their unpaid fines have led to a suspension of the vehicle licence.

Immobilisers are compulsory

It is the purchaser's responsibility to fit or ensure that the vehicle is fitted with an approved immobiliser.

Exempt vehicles are:

- vehicles that have a tare weight over 3000 kg or a GVM or aggregate weight over 4500 kg;
- motorcycles;
- some farm vehicles.

Definitions - Dutiable Value

The term "dutiable value" is defined by Division 5 of the *Duties Act 2008*. The following interpretation is provided **as a guide only**.

New Vehicle:

For a new vehicle (which includes a demonstration model that has been used for that purpose for not more than 2 months) that is a motor car, motor wagon or motorcycle, the list price (see definition below), plus the price fixed by the manufacturer, importer or principle distributor as the additional retail selling price in Western Australia for a particular type of transmission fitted to the vehicle. (For example, the set fee to upgrade a manual transmission to automatic).

Used Vehicle:

In relation to used vehicles - the amount for which the vehicle might reasonably be sold, free of encumbrance, in the open market. Where the dutiable value or purchase price of a vehicle has been incorrectly stated the matter will be referred to the Office of State Revenue for investigation and possible prosecution .

List Price means the price that has been fixed by the manufacturer, importer or principle distributor as the retail selling price of that vehicle in Western Australia.

NOTE: Vehicles which are transferred for no monetary gain need to have an amount provided for which the vehicle might reasonably be sold, free of encumbrances in the open market. i.e. its dutiable value.

Garaging Address (base of operation):

In accordance with section 17(2)(d) of the *Road Traffic Act 1974*, vehicles cannot be licensed in Western Australia if they are garaged in another state. You may be required to produce documentary proof of this.

What the purchaser has to do

1. When purchasing a licensed vehicle you must complete this form together with the seller of the vehicle. The seller is required to forward the Seller's Copy (the green copy) to Driver and Vehicle Services (DVS), and give you (as the Purchaser) the Purchaser's Copy (the red copy) and the current licence papers. The purchaser must submit this copy either in person at a DVS Centre or agent, or by mail to the address at the foot of this page, within 14 days of purchasing the vehicle. Failing to do so may result in a penalty. Failure to pay the vehicle licence duty and transfer fee within 28 days of the invoice being issued may result in an infringement of \$100.
2. The invoice may be paid by BPAY® (contact your bank or financial institution for further information), credit card using DVS's Phonepay 1300655322, by mail (GPO Box R1290, PERTH, WA 6844), in person at any metropolitan Post Office, participating country Post Office, regional DVS agent or a DVS centre (cash, cheque or EFTPOS).
A vehicle can only be licensed in the name of an individual (natural person), corporate company, incorporated body or any other body that is recognised as a legal entity. If the vehicle is jointly owned, a Proof of Identity form must be completed and signed nominating an owner/licence holder. Proof of Identity forms may be obtained online at www.transport.wa.gov.au/dvs.

Immobiliser Requirements

The purchaser of the vehicle is responsible to ensure that an approved immobiliser is installed. Any application to transfer the vehicle licence will not be accepted if the purchaser has not declared (by signing the declaration on the front of the Notification of Change of Ownership form) that an approved immobiliser is fitted to the vehicle and is operational. A false or misleading declaration will result in a fine. Vehicles that are 25 years or older, vehicles that have a tare weight over 3000 kg or a GVM or aggregate weight over 4500 kg, motorcycles and some farm vehicles are exempt from the fitment of an immobiliser.

1. If an immobiliser is not fitted to the vehicle, you must have one fitted before you can transfer or licence the vehicle. If you are unsure, contact your local authorised immobiliser installer, visit www.transport.wa.gov.au/dvs or call DVS on 13 11 56.
2. If the vehicle you are purchasing is already fitted with an immobiliser, you must confirm that it is an approved device. An approved immobiliser is:
 - 'Factory fitted' (i.e. fitted at the time of manufacture). The vehicle owner's handbook should confirm this.
 - Self arming (i.e. devices which automatically arm themselves without any assistance from the driver) and prevents the vehicle from being started.

If you are unsure about whether the vehicle immobiliser installed is approved, check with your nearest authorised installer, visit www.transport.wa.gov.au/dvs or call DVS on 13 11 56.

The Duties Act 2008 has been amended to introduce an exemption from vehicle licence duty upon the transfer of a vehicle licence between spouses or de facto partners of at least two years. For further information please contact the Department of Finance on 9262 1400 or visit www.finance.wa.gov.au.

Pensioner Concession Card Enquiries

If you are the holder of a Pension Concession card issued by Centrelink or Department of Veterans' Affairs or a WA Senior's Card and a Commonwealth Senior's Health Card holder, you may be eligible for a concession on your vehicle or driver's licence. For further information please call DVS on 13 11 56.

Garaging Address (base of operation)

In accordance with section 17(2)(d) of the *Road Traffic Act 1974*, vehicles cannot be licenced in Western Australia if they are garaged in another state. You may be required to provide documentary proof of this.

Does The Vehicle Have Money Owing On It?

The Personal Property Securities Register (the PPSR) is the register where details of security interests in personal property can be registered and searched. The Insolvency and Trustee Service Australia (ITSA) is the Australian Government agency responsible for administering the PPSR.

The PPSR can advise you if money is owed on a licensed second-hand car, motorcycle or self-propelled farm vehicle. Research has shown that one in five PPSR checks reveals the vehicle to be financially encumbered. In nearly half the cases, the purchaser wasn't aware of it.

By doing a PPSR check, you can avoid the risk of your vehicle being repossessed. The PPSR can also improve your chances of knowing if a car on offer is stolen. Buyers purchasing vehicles from licensed motor vehicle dealers do not need to use the PPSR.

To do a PPSR check, write down the vehicles plate number, engine number and chassis/VIN number and visit www.ppsr.gov.au for an online search or call 1300 007 777. Please phone between 6:00 am to 6:00 pm AEST Monday to Friday and 7:00 am to 1:00 pm Saturday and Sunday (including public holidays).
