GENERAL INFORMATION

PLEASE READ CAREFULLY BEFORE COMPLETING THE APPLICATION FORM

1. WHO NEEDS TO APPLY FOR A LICENCE

Anyone who carries on any class or description of the business of buying or selling vehicles in Western Australia is required to be licensed as a dealer under the *Motor Vehicle Dealers Act 1973*. This includes a business consisting of buying vehicles for wrecking, financing, auctioning or hiring.

The types of vehicles for which a person must hold a motor vehicle dealer's licence to buy or sell includes:

- passenger vehicles
- commercial vehicles
- motorcycles/scooters
- caravans/camper trailers
- trucks/utes
- campervans
- four wheel drive vehicles

Please note that a licence can only be issued to legal 'persons' (individuals or bodies corporate) and cannot be issued to a business name and/or a trust.

2. 'FITNESS' TO HOLD A LICENCE

The Commissioner for Consumer Protection must be satisfied that you are of 'good character and repute' and a 'fit and proper person' to hold a licence.

National Police Certificate

All Australian citizens, permanent residents and anyone currently residing in Australia.

A National Police Certificate must be lodged by all Australian citizens, permanent residents or anyone currently residing in Australia to assist the Commissioner in determining your fitness to hold a licence. The certificate must be no more than three (3) months old at the time of application.

Applications for National Police Certificates can be made in person at participating Australia Post outlets in Western Australia. If you reside outside of Western Australia you should contact your nearest local police station.

Please see www.police.wa.gov.au or www.commerce.wa.gov.au/CP/policechecks for further information.

Applicants who have previously resided overseas and/or new residents to Australia.

In addition to the Australian National Police Certificate, if you have not resided in Australia continuously for three (3) years, a police clearance from your last place of long-term residence is required (translated into English if required).

If a police clearance from your previous country of residence was required to obtain a visa to enter Australia, a request for a certified copy of that clearance can be made to the Department of Immigration and Citizenship under the provisions of Freedom of Information (FOI) legislation. To lodge a FOI application to obtain a copy of the police clearance you should contact the

Department of Immigration and Citizenship.

3. REGISTRATION OF BUSINESS NAME

Any business name(s) that you intend to use when trading must be **registered**. Although you do not need to submit proof, the National Business Names Register will be checked to verify registration and ownership. A licence may not be issued until registration of a business name in the name of the applicant is confirmed.

You do not need to register a business name if you intend to trade under only your own first name and surname.

To register a business name you should contact the:

Australian Securities and Investment Commission
Level 3, 66 St Georges Terrace Perth. Telephone: 1300 300 630
Website: www.asic.gov.au

4. KNOWLEDGE OF THE *MOTOR VEHICLE DEALERS ACT 1973*

As one of the prerequisites to becoming a licensed dealer, the Commissioner must be satisfied that you understand fully the duties and obligations imposed by the Act on dealers, yard managers and salespersons.

To satisfy this requirement, generally a person must have successfully completed the **Dealer/Yard Manager Licence Requirements Course**. A copy of your completion Certificate must be lodged with this application. This requirement will depend on the applicant's previous experience or current licence status as detailed below.

- If you have never been previously licensed under the *Motor Vehicle Dealers Act 1973* or are currently licensed as a Salesperson, you must complete the course.
- If you are currently licensed as a Yard Manager, or have held a Yard Manager's Licence within the last 5 years, you do not need to complete the course again.
- If you were the qualifying partner/director (the person that had knowledge of the Act to enable a dealer's licence to be issued) of a licensed dealership within the last 5 years, there is no need to complete the course again.

For a list of course providers, please visit www.commerce.wa.gov.au/CP/MVtraining.

5. FINANCIAL INFORMATION

The Commissioner must also be satisfied that an entity applying for a dealer's licence has sufficient material and financial resources to enable it to comply with the requirements of the category of licence being sought.

In order to assess this requirement, **the following information is required** to be provided.

a) Credit history report

Rather than requiring that you provide a credit history report with your application, Consumer Protection will obtain one on your behalf. The report assists in assessing whether you have sufficient financial resources to enable you to meet your obligations under the Act. The report obtained will provide a 'snapshot' of your credit history and other relevant matters and is equivalent to the report that is available to credit providers. You will be given the opportunity to provide additional information should a negative report be obtained. The report will be held by the Department as a confidential document and will only be released to third parties as required under law.

b) Statement of Assets and Liabilities and supporting document/s

A simple statement of your assets, liabilities and net worth must be provided.

b) Sufficient resources declaration

You must declare that you believe you have sufficient financial resources to comply with the requirements of the Act.

6. BUSINESS PREMISES INFORMATION

To be granted a licence a dealer must have suitable premises for the intended type of business.

Each entity applying for a licence is required to **submit written approval and details of any special conditions or restrictions imposed by the local government authority** in respect of each of the premises specified in this application.

7. FALSE AND MISLEADING INFORMATION

You **must** complete and sign the authorisation and declaration.

It is important to note that all the information and documents lodged in support of the application must be complete and accurate. Providing false or misleading information is an offence under the *Motor Vehicle Dealers Act 1973*.

By signing the declaration on the application form you are confirming that you understand you can be found guilty of a criminal offence if any information is false or misleading in a material particular.

8. RELEVANT LEGISLATION

In addition to the *Motor Vehicle Dealers Act 1973* the following legislation administered by Consumer Protection also applies to your business.

Fair Trading Act 2010 (Australian Consumer Law) includes

- General protections against deceptive and unconscionable conduct, false or misleading representations and unfair contract terms;
- Guarantees for consumers as to acceptable quality of supplied goods, repairs and spare parts, remedies if goods are not acceptable, and a guarantee of a reasonable time for supply;
- Laws setting out rights relating to unsolicited consumer agreements
- Product safety mandatory standards.

Retail Trading Hours Act 1987

- applies to retail shops in Western Australia south of the 26th parallel.
- sets the maximum hours a car yard is authorised to operate.
