

Application for Registration or Variation of Registration

How to Lodge this Application

METHOD OF APPLICATION

Use this form to apply for registration as a rail infrastructure manager of a private siding pursuant to section 84 of the Rail Safety National Law.

The application may be submitted to the National Rail Safety Regulator:

- electronically via email
- hard copy (via post or by hand delivery)

Applicants will be invoiced on receipt of this application.

Payment should be made via Electronic Funds Transfer (EFT) as outlined on your invoice.

Please include the invoice number as the payment reference.

Application fees are set out in Schedule 3 of the Rail Safety National Law National Regulations.

SUPPORTING MATERIAL

Appropriately referenced supporting material may be submitted by prior arrangement with the Office of the National Rail Safety Regulator via email.

APPLICATIONS FOR VARIATION TO EXISTING REGISTRATION

Applications for variation to an existing accreditation may be lodged electronically or in hard copy using this form. Documentation supporting the application must accompany the application where applicable.
