

Application form

Coastal Protection and Management Act 1995

Coastal management district search

This form asks for specific information in relation to an application for a search to establish whether land adjacent to tidal water (including land on the coast) is subject to the provisions of the *Coastal Protection and Management Act 1995*.

Note: In accordance with Chapter 2 Part 4 of the *Coastal Protection and Management Act 1995*, each local government must keep documents describing an erosion prone area available for inspection by the public.
