

## Environmentally Relevant Activities (ERA's)

EPA Environmentally Relevant Activities	Local Government Environmentally Relevant Activities
1. Aquaculture and intensive animal industry	4. Poultry Farming
2. Intensive animal feed lotting	6. Asphalt manufacturing
3. Pig Keeping	8. Chemical Storage
5. Alcohol production	12. Plastic product manufacturing
7. Chemical manufacturing	17. Abrasive blasting
8. Chemical storage	18. Boiler making or engineering
9. Hydrocarbon and gas refining	19. Metal forming
10. Gas production	20. Metal recovery
11. Oil refining or processing	21. Motor vehicle workshop operation
13. Tyre manufacturing or re-treading	37. Printing
14. Electricity generation	38. Surface coating
15. Fuel burning	43. Concrete batching
16. Extractive and Screening Activities	48. Wooden and laminated product manufacturing
22. Beverage production	49. Boat maintenance or repair
23. Bottling and canning	61. Waste incineration and thermal treatment
24. Edible oil manufacturing or processing	
25. Meat Processing	
26. Milk Processing	
27. Seafood processing	
28. Sugar milling or refining	
29. Metal foundry operation	
30. Metal smelting and refining	
31. Mineral Processing	
32. Battery manufacture	
33. Crushing, milling, grinding or screening	

34. Mushroom growing substrate manufacture
35. Plaster manufacturing
36. Pulp or paper manufacturing
39. Tanning
40. Textile manufacturing
41. Cement manufacturing
42. Clay or ceramic products manufacturing
44. Glass or glass fibre manufacturing
45. Mineral wool or ceramic fibre manufacturing
46. Chemically treating timber
47. Timber milling and wood chipping
48. Wooden and laminated product manufacturing
50. Bulk material handling
51. Road tunnel ventilation stack operation
52. Battery recycling
53. Composting and soil conditioner manufacturing
54. Drum and container reconditioning
55. Regulated waste recycling or reprocessing
56. Regulated waste storage
57. Regulated waste transport
60. Waste Disposal
58. Regulated waste treatment
59. Tyre recycling
60. Waste disposal
61. Waste incineration and thermal treatment
62. Waste Transfer Station Operation
63. Sewerage Treatment
64. Water Treatment
