Attachments

- A plan of the proposed camping ground which must be drawn to scale showing:
- The land comprising the camping ground and its location and real property description; and
 - The boundaries of the camping ground; and
 - The division of the camping ground into camp sites, including:
 - the location and number of potential camp sites with each site clearly defined and bearing a distinguishing mark or number; and
 - the separation distance between each camp site; and
 - the number of persons who, it is intended, may occupy each camp site; and
 - The location of each road and building situated within the camping ground; and
 - Details of the water supply system, including the position of all water points; and
 - The position of all waste containers; and
 - Details of the sewerage system including the position of each sanitary convenience, ablution and laundry building; and
 - Details of the on-site sewerage facilities and the waste water disposal system; and
 - The position of all fire places; and
 - The nature and position of—
 - all fire safety installations; and
 - all electrical installations; and
 - all food preparation areas; and
 - all recreational facilities; and
 - all car parking facilities.
- Details of the facilities for sanitation, washing and laundry to be provided for users of the camping ground.
- Details of water quality, reticulation and drainage facilities to be provided for users of the camping ground.
- Details of the rules which will govern the use of the camping ground, including rules which prohibit or restrict the keeping of dogs at the camping ground.
- Written consent from land owner (if application not signed)
