

## Removal Building Inspection of Transit Route

Name or Trading Name: \_\_\_\_\_

Postal Address: \_\_\_\_\_

Phone No.: \_\_\_\_\_ Fax No.: \_\_\_\_\_ Mobile No.: \_\_\_\_\_

I hereby make application for the removal of a building as detailed below. I understand that the route will be inspected immediately prior to the move and again afterwards to ensure no Council infrastructure is damaged in the shift. The following bond and fees will take effect from 1 July 2011. Please attach copy of your Building Movement form submitted to QDMR showing the exact routes to be taken.

- \$2,502.00 Bond, fully refundable following a satisfactory inspection of route taken during a shift.
- \$ 921.00 Building transit fee covering the cost of carrying out a detailed inspection of Council's assets to determine if damage is caused. **Unless travelling in Convoy, the fee will be applicable to each piece of house removal.**  
(ie if the house is moved in 2 pieces at separate times, it will attract 2 transit fees).

Should roadside infrastructure or vegetation be damaged or destroyed Council will undertake rectification works and then deduct the cost from the bond. If the bond is insufficient to cover the remedial work, you will be invoiced for the required amount.

If requested, the bond may be held by Council and transferred to a forthcoming shift if and when the previous shift has been successfully completed by a removalist. **The removalist must notify the appropriate Technical Officer at least 24 hours prior to impending move to arrange escort:**

<b>Beaudesert &amp; Tamborine Mtn Area:</b>	<b>Mr Gavin Gotke</b>	<b>5540 5198</b>
<b>Boonah Area</b>	<b>Mr Wayne McNeven</b>	<b>5463 3044</b>

The \$921.00 inspection fee which is intended to cover an individual house component will not attract an additional inspection fee if temporarily stored in a holding yard and later taken from storage for a second/final shift. Notwithstanding, an application and bond of \$2,502.00 will be necessary for a subsequent shift.

**EXISTING LOCATION OF BUILDING**
