Once this Application has been completed, submit it to the Fire Warden who will decide whether to grant the application. The Fire Warden may seek further details to aid their decision.

**Notes:** (Refer Brochures: Lighting Fires in Queensland and Applying to Light Fires in Queensland )

- Adjoining owners / occupiers are required to be given the opportunity to object to the granting of a Permit. Where wider residential areas are likely to be affected by smoke, the Fire Warden may add a condition to the Permit that wider advice, such as a letter-drop or notice in the media is required.
- Following receipt of your Application, the Fire Warden may impose conditions on a Permit to reduce unwanted risk or nuisance to other people, property or to the environment. The Fire Warden may refuse to issue a Permit if they believe that appropriate safety measures cannot be reasonably achieved or if they believe reasonable attempts to notify neighbours of the intention to apply for a Permit have not been made.

**Definitions:** Definitions of terms used are:

Term:	Definition:
Adjoining	Refers to the land mentioned in Section 64(3)(a) and (b) of the Act, namely: <ul style="list-style-type: none"> <li>(a) the land that touches some part of the land in question; or</li> <li>(b) is not separated from that land by a watercourse, road, or firebreak not less than 10 metres wide and clear of all flammable material in every direction.</li> </ul>
Owner / Occupier	Refers to the person who owns or is charged by the owner or by law with the management of the land. It includes the situation where there is no person in actual occupation of the land.
