

Q-Ride Self Assessment Report

RSP:	Trainer:
Learner rider:	Licence number:
Assessor:	Date of assessment:

Using each of the following questions, assess the training and assessment provided by the trainer (All competencies should be observed at least once in a year. Mark as "Nil" competencies not assessed at this assessment):

1. Was the area suitable for training with regard to safety and learning environment?
2. Was the learner informed of the assessment process?
3. Did the trainer display appropriate behaviour when training and assessing in relation to the safety and security?
4. Was the learner informed of the outcome of the assessment and were they given constructive feedback?
5. Was the Consistent Assessment Process checklist completed correctly and as soon as practically after the assessment?
6. Did the trainer obtain and record sufficient evidence to come to a decision?

Reference	Comments and evidence sighted	Complies Yes/No
