

	<h2 style="text-align: center;">On-Street Dining and Vending Policy</h2>	Policy Number 5.8		
POLICY STATEMENT:		To provide guidelines for the establishment of on-street dining and on-street vending.	LAST REVIEWED SEPT 2012	NEXT REVIEWED SEPT 2014
OBJECTIVE:	To regulate and ensure that on-street dining and vending within the Kingborough municipal area does not interfere with the use of the footpaths by the general public and that it operates in accordance with the permit issued by Council.			
SCOPE:	Applies throughout Kingborough.			
PROCEDURE: (POLICY DETAIL)	<ol style="list-style-type: none"> 1. Method of Control. 1.1 Street dining and vending is to be controlled by the issue of a licence by Council under the provisions of the <i>Roads, Parking and Stormwater By-law No. 4 of 2011</i>. 1.2 Notwithstanding the fact that guidelines can be satisfied, Council is under no obligation to issue a licence for outdoor dining, and each licence is issued solely at the General Manager's discretion. 1.3 Licenses will be issued or renewed annually from 1st July each year on receipt of payment of the annual fees as determined by Council from time to time. 			
GUIDELINES:	<ol style="list-style-type: none"> 2. Guidelines for Placement of Street Dining Furniture. 2.1 A minimum clearance of 1.5 metres is to be maintained between the dining furniture and any shop front to ensure a clear route for pedestrian traffic. 2.2 Where kerbside parking occurs, a clearance of 600mm is to be maintained between the kerb and any dining furniture. The General Manager may, if it is deemed necessary for safety reasons, require a barricade to be placed between the dining furniture and the kerb. 2.3 Where no kerbside parking occurs but angle parking does and provided that safe access to the footpath from the parked vehicles can be achieved, dining furniture may be located adjacent to the kerb, subject to a portable barricade being placed between the dining furniture. 2.4 The dining furniture and the barricade must be of sufficient weight to ensure that under strong winds they do not blow away or alternatively fixed to the pavement in an approved manner so as not to cause a hazard to pedestrians and motorists. 2.5 On days of strong winds, dining furniture should not be placed out on the footpath. 2.6 No furniture is to be placed within 1m of any Council owned/managed street furniture or street trees. 2.7 Outdoor dining is not permitted adjacent to loading zones, bus stops or taxi ranks. 2.8 Notwithstanding the above, where clearance specified cannot be achieved, the General Manager may allow the placement of dining furniture if the applicant can demonstrate to the General Manager's satisfaction that it will not cause danger to or obstruction to footpath users. 			

	<p>3. Furniture Design Parameters.</p> <p>3.1 Size, materials, colours for tables, chairs, umbrellas, screens, barricades and any other dining furniture proposed to be used is subject to approval by the General Manager and must be of sufficient weight so as to prevent them blowing away in strong winds. Furniture shall not have any protruding parts which are likely to catch clothing and will not cause danger to or obstruction to pedestrians.</p> <p>The furniture must be maintained in a good and serviceable condition to the satisfaction of the General Manager.</p> <p>3.2 Advertising logos or signs other than a logo adopted by the licensee as part of their business promotion are not to be allowed on any furniture, however advertising logos relating to the activities of the business may be permitted on barricades.</p> <p>4. Guidelines for Placement of Vending Equipment.</p> <p>4.1 Street vending is only permitted in a 2m wide strip parallel to the applicant's shop front.</p> <p>4.2 A minimum clearance of 1.5 metres is to be maintained between the vending equipment and any shop front to ensure a clear route for pedestrian traffic.</p> <p>4.3 No encroachment is allowed beyond the side boundaries of any property.</p> <p>4.4 No vending is allowed within 1m of any Council owned/managed street furniture and street tree.</p> <p>4.5 The licence holder is responsible for maintaining the required clearances at all times.</p> <p>4.6 Notwithstanding the above, where clearance specified cannot be achieved, the General Manager may allow street vending if the application can demonstrate to the General Manager's satisfaction that it will not cause danger to or obstruction to footpath users.</p> <p>5. Guidelines for Vending Equipment and Merchandise.</p> <p>5.1 Vending equipment is to be of good quality and of a safe, durable construction and in keeping with the surrounding streetscape. Equipment also needs to be adequately constructed and secured where appropriate to the satisfaction of the General Manager.</p> <p>5.2 Merchandise displayed by the license holder is to be consistent with the type and quality of goods displayed in the license holder's premises. All merchandise is to be properly contained on or within the vending equipment.</p> <p>6. Signboards on Footpaths.</p> <p>6.1 Signboards are only to be placed on the footpath in accordance with the provisions of the <i>Roads, Parking and Stormwater By-law No. 4 of 2011</i>.</p> <p>7. Operating Hours.</p> <p>7.1 All relevant dining furniture or vending equipment is to be removed at the cessation of each days trading by the licence holder.</p> <p>8. Health and Other Regulations.</p> <p>8.1 Food businesses applying for a licence must have premises registered by Council under the <i>Food Act 2003</i>.</p> <p>8.2 Any other permits required by law must be obtained by the licensee, who is also responsible to comply with other Council regulations.</p> <p>9. Application Process.</p> <p>An application is to be submitted in accordance with Clause 17 of the <i>Roads, Parking and Stormwater By-law No. 4 of 2011</i>.</p>
