Payment

Pay at Service Tasmania or mail the original application form to Building Standards and Occupational Licensing, PO Box 56, ROSNY PARK, TAS, 7018.

If your application is successful, you will receive a letter confirming that the addition of a class has been added to your practitioner licence within 14 days. Your new photo ID card will be forwarded to you within 7-10 business days from the date of your letter.

Attachments Required

All Applicants must attach:

- 1) a copy of the Statement of Results from a Registered Training Organisation for class of work selected .

Personal information we collect from you for licensing processes will be used by Building Standards and Occupational Licensing for that purpose and may be used for other purposes permitted by the *Occupational Licensing Act 2005* and associated laws. Your personal information may be disclosed to contractors and agents of the Building Standards and Occupational Licensing; law enforcement agencies, courts and other public sector bodies or organisations authorised to collect it. This information will be managed in accordance with the *Personal Information Protection Act 2004* and may be accessed by you on request to this Department. You may be charged a fee for this service. Failure to provide this information may result in your application not being processed or records not being properly maintained.

Electricians wanting to add plumbing as an occupation should complete a plumbing licence application form. For further information, please contact Building Standards and Occupational Licensing on 1300 366 322.
