

Registration

Building surveying practitioner technician (set 2)

Form 32

Use of this form

This form is to be used by people applying to be registered as building surveying practitioners at technician level with the Building Services Board.

In Western Australia the *Building Services (Registration) Act 2011* provides for registration in two classes of building surveyor, building surveying practitioner and building surveying contractor.

There are three levels of building surveying practitioner: level 1, level 2 and technician, and two levels of building surveying contractor: level 1 and level 2.

Registration as a building surveying practitioner

A registered building surveying practitioner is authorised to sign certificates of design, construction or building compliance under the *Building Act 2011*.

A registered building surveying practitioner technician may use a prescribed title such as *registered building surveying practitioner technician*.

When considering an application for registration as a building surveying practitioner technician the Board considers among other factors, the applicant's qualifications, experience and fitness to be registered.

Registration as a building surveying practitioner technician does not authorise a person to provide services as a building surveying contractor.

Set 2

Set 2 is the registration pathway for applicants who have experience between 1 July 2007 to 30 June 2008 in building surveying work for a local government in Western Australia.

If you do not have this experience you may be able to register under another pathway.

A building surveying practitioner technician is authorised to certify a building or incidental structure:

- with a floor area not exceeding 500m²; and
- not higher than two storeys.

Registration and application fees

Two fees are payable with this application, a registration fee and a non-refundable application fee.

The application fee is \$55.00.

The registration fee is \$450.00 for 3 years.

GST is not payable on the application or registration fee.

If the Board does not grant your registration, the registration fee will be refunded.

To be considered for registration you must:

- provide a complete application including payment of application and registration fees;
